What You Need to Know About Back-to-School and COVID-19

As communities try to balance the urgent need to bring students back to classrooms while also preventing the spread of coronavirus, Summit CityMD's Director of Infection Prevention Dr. Dan Hart offers some practical advice for two possible scenarios; classroom and virtual learning.

FROM A PATIENT'S PERSPECTIVE...

"Dr. [Vicky] Seelall basically made an enormous positive impact on my life, diagnosing a lifelong [sleep] issue that no one could identify and treating it successfully. She deserves recognition. She is amazing. Really changed my life for better." ~Deborah B.
